

To: Her Worship Mayor McKortoff and Members of Council
From: Leah Curtis, Planning Technician
Date: February 14, 2023
Subject: Report 1 – ALR Exclusion Application – 3621 Lakeshore Drive (ALR 23-01)
Tracker No: AI-562

RECOMMENDATION:

1. a) That Agricultural Land Reserve Exclusion Application No. ALR 23-01 (ALC File: 67255) be accepted.
- b) That Council authorizes staff to proceed with the notification process which advises of Council's intention to consider Agricultural Land Reserve Exclusion Application ALR 23-01 (ALC File: 67255) at their March 14, 2023 Council meeting.

Director of Planning and Development Comments:

Reviewed.

CAO Comments:

Approved for Council consideration.

Executive Summary:

The purpose of this report is to request Council's acceptance of the attached exclusion application to the Agricultural Land Commission (ALC) for the release of the subject property from the Agricultural Land Reserve (ALR) in order to facilitate the subsequent rezoning and subdivision of the property. The subject property is located at 3621 Lakeshore Drive, as shown in Attachment 2.

Background:

Property Details

OWNER	Gordon and Phyllis Reinhold
APPLICANT	Gordon and Phyllis Reinhold
CIVIC ADDRESS	3621 Lakeshore Dr
LEGAL DESCRIPTION	Lot A, District Lot 100, SDYD, Plan KAP40584
OCP DESIGNATION	Low-Medium Density Residential
ZONING	R1 – Single Family Residential

The subject property is 0.223 ha (0.552 ac). Located on the property is a single-family home that was constructed in 1990. No agricultural uses have previously been located on the property. The property is bordered by an empty lot (the old pitch and putt golf course) to the north, single-family homes to the east and south, and Lakeshore Drive to the west with single-family homes and Osoyoos Lake across the road to the west.

The property is designated as Low-Medium Density Residential within the Town's OCP. The subject property is currently being serviced by Town water and sewer.

Should Council approve the ALR exclusion of the subject property, the property owner intends to move forward with the subdivision of his property into two small residential lots (Attachment 4); enabling one new residential lot to be created.

Official Community Plan Bylaw, No.1375

There is a total of 288 hectares of Agricultural Land Reserve (ALR) land in Osoyoos. This comprises of 12% of the Town's total land area. Most of Osoyoos' ALR lands are in active agricultural production to some degree or another, with a few exceptions such as the Osoyoos Golf and Country Club that is non-farm use allowed by the Agricultural Land Commission (ALC).

The Town's Growth Management approach with the OCP aims to protect the integrity of our agricultural land base, as new development is only encouraged in areas with access to existing servicing infrastructure.

Agricultural Land Reserve Exclusion Application Policy

The Town of Osoyoos is responsible for making applications to the ALC through their online portal, on the behalf of applicants looking to have their property excluded from the ALR. Exclusion applications may be considered by Council for ALC consideration for parcels that are agriculturally inactive and are connected to existing servicing infrastructure.

Rationale for Recommendation

Administration supports the applicant's proposal to exclude the property from the ALR. The subject property has not been previously used for agricultural purposes and has been designated as other than agricultural within the current and previous OCP.

Options / discussion

Option 1

- a) That Agricultural Land Reserve Exclusion Application No. ALR 23-01 (ALC File: 67255) be accepted.
- b) That Council authorizes staff to proceed with the notification process which advises of Council's intention to consider Agricultural Land Reserve Exclusion Application ALR 23-01 (ALC File: 67255) at their March 14, 2023 Council meeting.

Option 2

That Council rejects ALR Exclusion Application ALR 23-01 (ALC File: 67255) for 3621 Lakeshore Drive.

Staff are recommending Option 1.

Implications:

- a) **Community**
To ensure the timely supply of land is available to support economic and community development goals.
- b) **Organizational**
A Notice of Exclusion Application Sign was posted on the subject property on January 19, 2023 (Attachment 3). Notification of the Public Hearing will be mailed or otherwise delivered to properties within a 60-metre radius as per the Town's Land Use Procedure Bylaw following Council's acceptance of the ALR Exclusion Application.
- c) **Budget**
There are no impacts to the budget associated with this report.
- d) **Significant Dates**
Should Council accept the ALR Exclusion Application, staff are proposing a Public Hearing be held on March 14, 2023 (following the required notification process).
- e) **Sustainability**
The release of the subject lands from the ALR would open up potential for infill residential development within an already serviced area and is in conformance with the Town's OCP policies.
