Application for Water Connection

I/We the registered owner(s) [or agent, per attached letter] of the above-mentioned property do hereby apply for water service connection from the Town of Osoyoos ("Town") main to my/our property line.

I/We, having applied to the Town for a water service connection and agree to comply with all the applicable District Bylaws, Regulations and Policies as amended from time to time.

It is understood that the completion of this form constitutes an application only, and the work applied for will not commence until this application has been approved.

Water users are advised that all services shall have a pressure-reducing valve installed, including the installation of vacuum breakers and backflow prevention devices in accordance with the B.C. Plumbing Code. The Town will not be responsible for any damage caused by high pressure or back-siphoning.

I/We are also aware the pressure may not be adequate, and it will be my/our responsibility to provide and maintain any pumps and/or pressure tanks and a testable backflow preventor device acceptable to the Town to provide adequate pressure for this service.

The applicant agrees to deposit with the Town, a sum of money to cover all costs of installation prior to commencement of work, and further agrees to pay all costs of connection performed and/or material supplied by the Town.

IMPORTANT: The Town Operational Services Department must be notified of inspection for water services before backfilling takes place. Phone 250.495.6213. Note: 48 hours notice required for inspection.

WATER: TO BE TURNED ON OR OFF BY TOWN STAFF ONLY.

I have read and understand the above
