

# TRANSPORTATION MASTER PLAN

The Town of Osoyoos is developing a **Transportation Master Plan**, which is a long-term plan to guide the future of Osoyoos' transportation network.

The plan encompasses all modes of transportation, from walking, cycling, rolling, transit and driving. We want to make sure everyone can get around safely and easily, no matter how they travel.

**We want to hear from you!**

Your input is important in shaping how we move around Osoyoos.

The plan will focus on:

Priorities for roadway improvements

Enhancements to the downtown street network and vibrancy

Opportunities to improve accessibility, safety and connectivity

## Online Survey & Interactive Map

Open until March 15, 2026.

## Pop-Up Event

Wednesday, February 18 at the Sonora Community Centre from 1:00 to 4:00 PM.
