1	Regardless of the type of vehicle, the flow of traffic and visibility should be taken into consideration.	7/28/2026 8:37 AM
2	It would be good to limit boat trailer parking to daylight hours and allow cars after dark at the Marina parking lot .That would allow car parking in the evening for fire works parking and some Music in the Park events	7/27/2026 3:10 PM
3	We want more free recreation site, we dont want to spend time and gaz to go in oliver or rockcreek to have access to free camping spot in this beautiful city... why is the trail behind the golf is open when you go by fairwinds dr. There should also be options for winter storage parking in this lot for city revenue as the lot is empty after September through April. The parking meter gives options for 1 week and 1 month parking but should add a two week option.	7/20/2026 3:31 PM

57	Maybe a town owned, day use lot for these too	7/18/2026 7:53 AM
58	Better usage of boat lot in winter. Not generating income.	7/18/2026 6:19 AM
59	I think town does a great job monitoring the boat parking and we could designate part of the boat park for overnite RV parking	7/17/2026 8:55 PM
60	Yes! Need visible signage directing the Tourists as to where there is RV parking as in many other BC tourist towns. The current parking at the Boat Launch is extremely insufficient! Boat trailer and its towing vehicle often have to park very far away from the Boat Launch. This puts residents & tourists off. Tourists over 4-5 months keep our town & the Merchants/Business owners alive! We should be catering to them and I don't mean by charging them to park. Perhaps a video camera showing the Available Parking would be helpful to Tourists for Boat Trailer & tow vehicle parking. Also RV drivers need to know that there is parking available as a lot of the RV's are over 30 feet and experience issues when trying to turn around or fit into a small space.	7/17/2026 8:33 PM
61	Lots that are available for residents in town for boat and boat trailers. They could have a charge for those using	7/17/2026 1:47 PM

66	I do wonder about big tv's parking on main streets but it is not really a problem	7/17/2026 9:35 AM
67	Make block in front of the united church legal for attached trailer/vehicle parking.	7/17/2026 9:06 AM
68	More covered winter Boat storage	7/17/2026 8:52 AM
69	Don't know whether or not you charge for boat or RV parking, but if you don't, you should be!	7/17/2026 8:25 AM
70	improve signage and penalties so cars without trailers stop parking in those spots	7/17/2026 8:09 AM
71	There needs to be a designated area for tourists with big travel units to park so they can stop and spend money in our community.	7/17/2026 7:53 AM
72	Marina parking is to small in tourist season.	7/17/2026 7:47 AM
73	More restrictions.	7/17/2026 7:14 AM
74	dedicated lots of of main St for sure	7/17/2026 6:12 AM
75	Since you change all the parking around the boat launch area everything is awful. The few spots that are available for truck and trailer are sometimes take by cars.	7/17/2026 5:23 AM
76	no	7/17/2026 1:05 AM
77	I think the boat trailer parking should definitely be near the marina that only makes sense so as people don't have to drive all the way across town to park their trailer and then have to go to their boat again	7/17/2026 12:42 AM
78	On the west side of Spartan south of the church the signs say no boat trailers and yet these spot are almost always empty and with my bad knees it is a chore to get to the launch where some cars park in trailer spots regularly although it has been better lately	7/16/2026 10:52 PM

91	Yes I do think we need more hourly parking for RVs	7/16/2026 7:48 PM
92	More parking around the grocery stores	7/16/2026 7:39 PM
93	Use one of the town parking spots for RV use only	7/16/2026 7:24 PM
94	Get rid of that lot full of boat trailers and use that land for something way more useful. Even a multi use civic park for events / car shows and so on	7/16/2026 7:16 PM
95	Rv parking for restaurants	7/16/2026 6:48 PM
96	No	7/16/2026 6:43 PM
97	Some arterial roads should allow one hour parking in some areas to allow loading and unloading at multi unit locations such as Cottonwood. But no overnight trailer parking. Patrol the boat launch parking to ensure non boating related vehicles are not parking in spaces meant for trailer parking	7/16/2026 6:14 PM
98	More boat trailer parking at the marina	7/16/2026 6:13 PM
99	No	7/16/2026 6:00 PM
100	Cars should not be parking at the marina unless they have a boat trailer- including by the sailing club.	7/16/2026 5:52 PM

111	No	7/16/2026 4:42 PM
112	Keep them off lakeshore!!	7/16/2026 4:39 PM
113	Boat trailer parking needs to be closer to the marina for day users. Town should purchase the empty lot beside the united church for day use boat trailer with the towing vehicle parking.	7/16/2026 4:39 PM
114	Remove the bylaw disallowing trailered boats parking on roads. Homeowners should be allowed to park their trailered boat on the road in front of their home. (attached to their truck, of course) There is not enough parking at the marina, and the current process needed to launch a boat, then drive the trailer over to the boat trailer parking by Jct 3, park it, drive back, find parking for the truck, walk back down to marina, and redo at the end of the day, literally takes multiple hours. And also leaves the boat clogging up the marina dock while the driver is sorting out the parking on the other side of town. It's ridiculous.	7/16/2026 4:39 PM

Parking Survey

115	The boat parking at the marina should be better monitored so that only boat trailers park there	7/16/2026 4:31 PM
116	Better access and signage, info for people with boat trailer and RVs on where to park, maybe some more spots to unload their boats rather than all try to use the one at Lions beach. Maybe a designated RV parking area for close access to town. Easier for RVs too park then walk a couple minutes to walk to stores, restaurants and beach then taking up all the smaller spots.	7/16/2026 4:06 PM
117	Yes you need more for the tourist, you either have to buy a lot somewhere and charge a small fee for it or else you will have people parking their trucks and trailers everywhere they are not supposed to. Not to mention the locals who pay taxes can never even think about getting access to park during the peak tourist season.	7/16/2026 3:35 PM
118	More of it so they are not in car parking lots	7/16/2026 3:26 PM
119	Public pay lots appear to handle what is needed. Not sure if there is a rule, but long term (more than one night?) parking of trailer (loaded or empty) should not be allowed in the streets	7/16/2026 3:19 PM
120	Enforce the cars parking in boat stalls in the Marina	7/16/2026 3:16 PM
121	Allow rvs to be in the boat trailer yard. Many people would like to leave their Rv in Osoyoos during the week rather than tow back and forth from the coast. This could create revenue for the town.	7/16/2026 3:12 PM
122	Signage/Mapping directing RV's/boat trailers to suitable parking location/s	7/16/2026 3:00 PM
123	Tv and boat trailers only signs	7/16/2026 3:00 PM
124	Grocery store parking lots are not large enough to accommodate rv parking. A designated spot out side for rv parking should be considered	7/16/2026 2:59 PM
125	I dont think trailers or RVs should park in town	7/16/2026 2:58 PM
126	Better signs	7/16/2026 2:53 PM

128	None	7/16/2026 2:39 PM
129	None	7/16/2026 2:39 PM
130	Yes we need more spots for the marina	7/16/2026 2:38 PM
131	Yes. The parking lot at and NEAR the marina needs to be revamped to accommodate triple the amount of trucks and trailers. The lot across the bridge is way too far away and makes zero sense.	7/16/2026 2:31 PM
132	No	7/16/2026 2:27 PM
133	No	7/16/2026 2:26 PM
134	There should be more parking for boat trailers near the public boat launch. The parking lot behind the museum needs better signage indicating it is available for RV parking.	7/16/2026 2:26 PM
135	Charge a parking fee or put meters for boat trailer and RV parking. Taking up valuable parking space all day.	7/16/2026 2:24 PM
136	As long as they aren't allowed to park on Main Street I'm happy	7/16/2026 2:21 PM
137	Add more parking. Separate parking for trailers. Should have bought the lot up the road and created parking for boat trailers.	7/16/2026 2:09 PM
138	I don't know of any RV parking!	7/16/2026 2:05 PM
139	No extra parking near the marina (except the marina lot) for trailers). Where do rv's park near downtown, shopping areas. We want people with trailers to stop and experience our town. Example is Nestor or save on foods lots	7/16/2026 2:04 PM
140	More Bylaw enforcement on Cars parking in Trailer parking.	7/16/2026 2:01 PM
141	stop cars parking by sailing club, people are there all the time and needs to be enforced more	7/16/2026 2:01 PM
142	No.	7/16/2026 1:56 PM

144	it is fine	7/16/2026 1:41 PM
145	Better signage, and online maps for both cars and boat trailers. Also parking for motorhomes while visiting.	7/16/2026 1:40 PM
146	There needs to be better signage to help the boat/ RV vehicles find the areas.	7/16/2026 1:33 PM
147	Maybe 2 lot could be designated for RV parking. Also monitoring of boat parking so cars do not park there.	7/16/2026 1:33 PM

151	Does not effect me, as I have neither	7/16/2026 1:04 PM
152	Much larger signs for RV parking on the side streets and more bylaw tickets given o the boat owners parking trailers on property not designated for boat trailer parking -	7/16/2026 12:59 PM
153	Unsure	7/16/2026 12:59 PM
154	there are none, it's seasonal and there is plenty	7/16/2026 12:59 PM
155	Making sure all boat/trailer owners use the available parking space	7/16/2026 12:58 PM
156	We provide trailer parking in several areas of town. Maybe we should give the private sector the ability do do trailer parking. Not use up more town land for visitor boat trailers.	7/16/2026 12:56 PM
157	RVs and trailers should NEVER be allowed to park on residential or downtown streets!	7/16/2026 12:56 PM
158	RVs should park on side streets, and occupants can walk to Main Street. The boat trailer parking field works well, and was a wise investment.	7/16/2026 12:53 PM
159	Better signage, more availability	7/16/2026 12:52 PM
160	The hotels should be having these areas for there guests With scuttles to pick them up and delivering back....	7/16/2026 12:51 PM
161	Better signage	7/16/2026 12:44 PM
162	All of the above should pay for parking as they take up more space than an average car eg 2 spaces	7/16/2026 12:39 PM
163	Not personally	7/16/2026 12:39 PM
164	Have designated areas for them to park to eleviate street parking as they take up so much space	7/16/2026 12:37 PM
165	More parking close to boat launches	7/16/2026 12:31 PM
166	Open it up all year as a storage lot	7/16/2026 12:22 PM
167	Don't have a boat	7/16/2026 12:13 PM
168	More parking along the lake, out of town limits	7/16/2026 12:13 PM

171	allow homeowners to park them in their driveways and yards	7/16/2026 11:57 AM

173	Yes, use the boat and trailer on Main Street year round	7/16/2026 11:54 AM

189	No	7/16/2026 11:09 AM
190	I would like to have the ability to park my empty boat trailer in the lot on hotel row.
